

SaniTyze™ Hand Sanitizer

Don't compromise, SaniTyze™. Defend yourself against germs and harmful bacteria.

Kills up to 99.99% of microorganisms in as little as 30 seconds without water.*

Won't irritate or dry out skin like soap and water and other hand gels can.

SaniTyze™ Hand Sanitizer from Crosstex makes hand asepsis compliance fast and easy. SaniTyze combines a highly effective 62% ethyl alcohol formula with hand-healthy emollients that leave skin soft and smooth, not dry, chapped or sticky. Remember: nearly 90% of disease transmission is linked to hand contamination. **When it comes to hand hygiene, don't compromise – SaniTyze!**

- **Contains Aloe Vera, Vitamin E, Keratin and Liposomes** to moisturize and condition skin
- **Effective against MRSA** (>99.99% reduction in 60 seconds*)
- **Meets recommended CDC guidelines**
- **Long-lasting antimicrobial protection**
- **Latex compatible** – no lanolin or petroleum-based emollients
