

Supplement E – Petition for Reinstatement of License/Permit

- A person whose license, certificate or permit has been revoked or suspended, who has been placed on probation, or whose license, certificate or permit was surrendered pursuant to a stipulated settlement as a condition to avoid a disciplinary administrative hearing, may petition the Board for reinstatement or modification of penalty, including modification or termination of probation, after a period of no less than the following minimum periods have elapsed from the effective date of the decision ordering disciplinary action:
- At least 3 years for reinstatement of a license revoked for unprofessional conduct, or
- Surrendered pursuant to a stipulated settlement to avoid an administrative disciplinary hearing.

The petition may be heard by the Board, or the Board may assign the petition to an administrative law judge. In considering reinstatement, modification or penalty, the Board or the administrative law judge hearing the petition may consider:

- All activities of the petitioner since the disciplinary action
- The offense for which the petitioner was disciplined
- The petitioner's activities during the time the license, certificate or permit was in good standing
- The petitioner's rehabilitative efforts and general reputation for truth
- Professional ability

The Board or the administrative law judge may impose necessary terms and conditions on the licentiate in reinstating a license, certificate or permit or modifying a penalty.

A petition will not be considered while the petitioner is under sentence for any criminal offense, including any court-imposed probation or parole.
