NEW!

LuxaCrown

The chairside way to long-lasting crowns

A perfect fit between temporary and permanent restorations, new LuxaCrown offers patients an **affordable**, high-quality restorative option. Create exquisite **semi-permanent**, long-lasting crowns quickly and efficiently. The versatile, easy-to-use chairside material provides superior esthetics with remarkable longevity for up to 5 years.

TempoCem[®]ID

Invisible to everyone but you

TempoCemID delivers standout performance by blending in. This esthetic, temporary cement is **invisible** when you want it to be, yet **detectable** when you need it to be.

Innovatively formulated for optimal transparency, TempoCemID will never impact the shade of your provisional, making it an ideal choice for both posterior and anterior restorations alike.
