

Centrix to Attend 2019 IDS Dental Industry Exhibition in Cologne, Germany

Shelton, CT, January 2019—Centrix, Inc. has announced that it will attend the International Dental Show (IDS) 2019 dental industry trade fair in Cologne, Germany. The IDS exhibition, to be held March 12–16, will bring together over 2,300 exhibitors and 155,000 visitors from around the world, including dental and orthodontic equipment manufacturers, trade dealers, practitioners, and students.

Among the Centrix products on display at the fair will be [NoMIX®](#), a single-component, moisture-activated temporary cement; [FluoroDose®](#), the top Fluoride Varnish of 2015, 2016, 2017 and 2018, according to The Dental Advisor; and the [NoCord™ VPS System](#), an all-in-one system that retracts the gingiva, controls bleeding and takes a clear final impression.

For visitors to the IDS exhibition, Centrix will be located in Hall 10.2 | Stand V02.

About Centrix, Inc.

Centrix is a leading innovator of dental materials, preventive products and applicators and delivery systems. Along with the Centrix C-R and Mark III syringe guns, we provide the most comprehensive line of syringe delivery systems. We pioneered the first one-piece disposable dental applicator brushes: Benda® Brush and Benda Micro flocked applicators. Realizing the importance of asepsis in the dental office, we developed the LolliPack® single-use package, which is now the standard application method for fluoride varnishes and other unit dose materials. FluoroDose® Fluoride Varnish has been recognized as the best Fluoride Varnish for the last several years. Centrix also offers the most complete line of Temporization Materials: Tempit® for filling, Access® Crown for temporary crown and bridge, and NoMIX® temporary cement. And Centrix is forging new paths in Impressioning with NoCord™ VPS, the first one-step, self-retracting impression material and the Centrix Couture™ line of esthetic finishing and polishing products.

Centrix products are available from all leading dental distributors. Call Centrix at 800.235.5862 or visit www.centrixdental.com for more information.
