Direct Restorative Solutions

from Ivoclar Vivadent

Tetric® Evo Line

A composite for every indication

The Tetric® Evo Line of composites offers an esthetic and predictable restoration in all cavity classes.

- Indicated for anterior and posterior restorations
- Exceptional handling and esthetics
- Clinically proven performance

OptraSculpt®

Efficient contouring of composites

Non-stick for faster, more precise contouring

- **Effortless adaptation and contouring:** Non-stick for faster more precise contouring of composite
- **High efficiency:** autoclavable instrument with disposable pads and attachments in a variety of shapes and sizes
- **Professional esthetics:** No instrument-marks left on the composite and therefore ensures natural looking results
